We are proud to support the Backpack Fund, a laudable local charity founded by Riverside High School alumni. They are currently raising money to provide school supplies to students from low-income families in the region. The Backpack Fund is also awarding a 2023 Riverside graduate the Emily Ringler Memorial Scholarship. To learn more about their work, visit thebackpackfundohio.com, or scan the QR code below with your mobile phone's camera. If you're so inclined, we encourage you to consider supporting their vital mission with a tax-deductible donation.
